To Whom It May Concern:

I am writing an open letter of reference for Dr. Brenda MacMenamin, who I have known since 2010. Initially Brenda attended a monthly luncheon I host for area ministries and clergy. Brenda has been very active in a host of ministries in our community. She is a very bright, enthusiastic, and principled woman of God.

On several occasions she has spoken at our Luncheons with a focus on the early Christian roots of our Nation. Brenda has a passion for history, particularly the connections our founding fathers had with their faith in God and their Judeo-Christian heritage.

Dr. MacMenamin has taught in a variety of settings including churches and schools on a host of topics. Her classes and seminars are very well received and widely accepted and attended.

Brenda has worked with Personhood of Florida, and has been an advocate and champion for the unborn. She has made many trips to our state's capital on behalf of the unborn. She is a great advocate and highly respected by our legislators and the Christian community. In the immortal words of John F. Kennedy, "The true test of a great person, is how they deal with little people." Dr. MacMenamin has sacrificed continually and untiredly, for those who cannot speak for themselves.

I count it an honor and privilege to know Dr. Brenda. She always lights up a room when she enters. She is a consummate learner, always striving to know more, and do better. She loves to see people grow and develop. She is a change agent and atmosphere enhancer.

If I can be of any additional assistance regarding Dr. Brenda, please feel free to contact me. I can be reached at 772-462-3437 or email me at [thompsondav@stluciesheriff.com](mailto:thompsondav@stluciesheriff.com).

Sincerely,
